

# PFC Cases with Metal Latches

## Add Some Shine

PFC metal latches offer our customers the opportunity to add a little something extra to their cases with a quality latch that is both durable and attractive

PFC latches are built tough to provide maximum protection across your product line

Our metal latches can be added to most cases 15 inches or larger and are made in the USA out of durable Type 430 Stainless annealed steel with a polished finish

**PFC makes the most comprehensive line of double-wall blow molded carrying cases available anywhere**
